

1. CCEN DRAFT LSP reporting plan 2008/09

What can CCEN contribute to Community Strategy monitoring / reporting?

- Examples of effective partnership working
- A broader picture of VCS and community activity in relation to meeting community strategy priorities
- Examples of where different initiatives compliment one another and improve outcomes across sectors and strategy themes
- Help to identify gaps and barriers
- Show added value of VCS
- Highlight and embed the principles of the Compact

What could this achieve?

- Improvement in how VCS is perceived by other partners at the LSP
- The VCS as a more active partner and contributor to LSP business
- Recognition and understanding of broader range of VCS activity
- Evidence that VCS groups can use for their own reporting and fundraising
- Greater community ownership of the Community Strategy

How can CCEN carry out this work?

- Work with initiatives like Camden Change Up and Compact group
- Map VCS activity / sub theme reporting
- Gather / collate evidence from VCS
- Programme timely seminars / workshops / newsletters
- Increase input from expert panel and VCS networks
- Build relationship and liaise with LBC policy team
