

VCS members of strategic partnerships and groups meeting

14th June 2011 1:30-3:30 pm at Voluntary Action Camden (VAC)

Lunch will be provided

The meeting will look at how Camden Community Empowerment Network can assist VAC in continuing to support members of strategic partnerships and groups between now and end December 2011.

The objectives for this transitional period are:

- To retain strategic expertise and knowledge in the local voluntary and community sector (VCS) across different service areas.
- To maintain communication between VCS reps and with wider VCS networks.
- To inform future strategy for voluntary and community sector involvement in policy and decision making.
